LETTER REQUEST FOR PROPOSAL (RFP)
AND INSTRUCTIONS TO OFFERORS

STOCII-16-OPA-0002

**Tactical Tower Subsystem Technical Refresh of the Joint Operations Center
Element at the Joint Readiness Training Center (JRTC)**

The Army Contracting Command (ACC) - Orlando, on behalf of the Program Manager (PM) Training Devices (PM TRADE) Product Manager Combat Training Instrumentation Systems (CTIS), will satisfy the requirements set forth herein via the issuance of a STOC II, Lot I Delivery Order (DO). Award of a Firm Fixed Price (FFP) DO is planned for award on or around 06 May 2016. This DO will be issued in accordance with the Performance Work Statement for the Tactical Tower Replacement at the JRTC provided as Enclosure of this Request for Proposal (RFP). All terms and conditions of the basic STOC II, Lot I contracts awarded will remain in effect for this DO. This letter and enclosure shall serve as the Government's RFP to satisfy the effort described herein.

Requirement:

The Government has a requirement to procure the Tactical Tower Replacement with associated equipment, deconstruction of existing tower and installation and integration of a new tower at the JRTC in Fort Polk, Louisiana.

Proposal Submission Instructions:

As provided by Section H.16 Delivery/Task Order Ordering Procedures of the STOC II contract, it is requested that you submit a proposal in response to the enclosure, which contains the following: Specific proposal instructions and evaluation criteria as Section L, Proposal Submission Instructions and Section M Evaluation Criteria. Your proposal shall be submitted via email to the Contract Specialist, listed below, and the undersigned Contracting Officer. Questions concerning this RFP shall be submitted in writing no later than close of business 16 March 2016. Questions received after that date may not be answered.

Basis for Award:

The Government will make the award of this order to the offeror whose proposal represents the best value on the basis of lowest priced, technically acceptable. The Government will evaluate proposals for acceptability, without consideration of tradeoffs among cost and non-cost factors. The standards for determining technical acceptability are set forth in Attachment 4, Requirements Matrix of RFP enclosure (1).

Government Point of Contact:

The Government POC for this acquisition is Mr. Jason Malak, Contract Specialist and myself. Mr. Malak may be reached via email at jason.r.malak.civ@mail.mil or via phone at 407-208-3337. I may be reached (preferred) at marcus.s.overbay2.civ@mail.mil or via phone at 407-384-5566.
